The main map illustrates the intersection of Gundoldingenstrasse, Adligenswilerstrasse, and Deutschlergasse. It shows the current traffic signal configuration, including traffic lights and pedestrian crossings, and the proposed changes for the intersection optimization. Key features include: Gundoldingenstrasse running diagonally from the top left; Adligenswilerstrasse running horizontally across the top; Deutschlergasse running diagonally from the bottom left; Adligenswilerstrasse running horizontally across the bottom; A large parking area with 18 and 17 parking spaces; A sports field (Sportanlage) to the right; A north arrow in the top right corner; A north arrow in the bottom left corner; Various traffic signs and markings indicated by red and orange lines and arrows; Dimensions and distances marked in meters; A legend in the top left corner explaining the symbols used.
